Air consumption measures horsepower	170
Air resistance—Tunnel built to determine air resistance of automobiles	33
Ajax Motors Co.—Formed as Nash sub- sidiary	79
Starts operations in toolroom of Mitchell factory	539
Albridge, K. P.—Radical used car plan	248
Alcohol—Commercial alcohol dehydrated by glycerine	1094
Alfa-Romeo opens N. Y. agency	942
Alling, C. R.—Automobile locks	211
Insurance hazards reduction	1016
All-Russian Cooperative Society—Buys 8 English buses	160
Aluminum bronze for automobile parts	978
American Automobile Assn.—Convention	129
French would recognize contest board	790
Henry shows value of truck division	665
N.A.C.C. will back A.A.A. truck branch	424
American Bearings Co.—Receiver ap- pointed	220
American Bosch Magneto Corp.—Wiring diagram of Great Jordan line eight	491

Merger details	660
New type radio set	1025
American Car & Foundry Co.—Dow develops automatic gearset	300
American Chain Co.—Wins patent suit	385
Financial report	626
Wins three patent actions	746
American Electric Railway Assn.—Buses at convention (ills.)	669
American Flexible Wheel Co.—Granted charter	188
American Forging & Socket Co.—Window regulator	120
American Gear Mfgs. Assn.—Convention	731
American Instrument Co.—Decelerometer	530
American Malleable Casting Assn.— Annual meeting	418
American Petroleum Institute—Problems discussed	1054
American Society for Steel Treating— Convention	602
American Steam Truck Co.—Trustee appointed	660
Ames Co.—Pocket dial gage (ills.)	885
Andrade differentials desc. (ills.)	271
Angell, W. R.—Specialization in manu- facturing & merchandising	539
Apperson Bros. Automobile Co.—Re- organization plans	220
Eight-in-line model new	1108
May build Haynes automobile	498
Arcadia Trailer Corp.—In receivership	866
Arendt-Morton gas-electric bus desc. (ills.)	195
Argentina—Shipments require bills of lading	543
Arter Grinding Machine Co.—Cylindrical grinding machine (ills.)	973
Asbestos Brake Lining Assn.—Officers elected	700
Associated Mfgs. of Fabric Auto Equip- ment—Officers elected	1031
Associations—Chamber of Commerce makes recommendations	906
Trade associations favored by Hoover	1028
Atwood Vacuum Machine Co.—Door bumper (ills.)	696
Auburn Automobile Co.—Eight-in-line in production	540
New sedan model	1108
Auel, C. B.—Waste elimination	761
Aultman & Taylor Machinery Co.— Stops making tractors	387
Austin Motor Co.—Seven-horsepower car desc. (ills.)	674
London show car	724
Auto Hone Co.—Patent decision given to Hall Cylinder Hone	80
Automatic Clutch & Transmission Co.— New transmission (ills.)	144
Automatic Molding Press Co.—Molding press (ills.)	441
Automobile Financial Corp.—In receiver- ship	906
Automotive Electric Assn. Holds convention	540
Automotive Equipment Assn. A. E. A. convention	563
Convention & show	905
Makes ready for cost research	1062
Automotive Mfgs. Assn.—Annual meet- ing	1069
Automotive Testing Laboratories—Ended	382
Autopulse magnetic fuel pump (ills.)	890

Avery Co.—Business men to save com- pany	225
Aviation	
Air mail is of service to the automotive industry	566
American inventors in helicopter test	220
Army & Navy heads reorganize air board	184
British Government orders airship larger than ZR-3	1081

What will the world flight mean?	397
Winner of air race in England	428
ZR-3 crosses the Atlantic	702
ZR-3 flight (ills.)	720
Axles	
Clark axle for passenger buses (ills.)	1050
Eaton bus axle desc. (ills.)	806

B	
Baillet, P. F.—Accessory export sale	886
Balboa car to be made	704
Balster, Fred—Steam boiler (ills.)	244
Barnes Drill Co.—Drill press (ills.)	859
Barty Axle Corp.—Gearless differential (ills.)	1010
Bassick-Alemite Corp.—Earnings for nine months	941
Bates Machinery & Tractor Co.—Govern- ment files tax claim against firm	341
Bondholders take over plant operation	1061
Batteries—Test airplane storage batteries	601
Baur, Raymond—Lamp for city driving (ills.)	569
Bay State Motor Co.—Plant sold	622
Bean making 1½ ton truck	1060
Bearings	
Ball bearings on crankshafts (ills.)	282
Bearing metal has heat limits	211
Crankpin roller bearings (ills.)	964
Crankshaft ball bearing sizes	1083
Dodge roller type line shaft bearing (ills.)	1004
McKone connecting rod bearing (ills.)	153
Mogul lined bearing (ills.)	247
N. K. A. disk & ball bearings desc. (ills.)	918
Oil films in babbit bearings	1084
S. R. B. pilot bearing (ills.)	919
Beaver Mfg. Co.—New type engine for industrial uses (photo)	236
Beckwith-Chandler Co.—Another pyroxy- lin finish	324
Begeman, M. L.—Better material han- dling	366
Bendix Corp.—Oversubscribed	1106
Bendix Engineering Works & Perrot Brake—Merge	1062
Benzol—Properties of benzol	820
"Bengas" motor fuel	934
Benzol as a fuel	934
Effect of benzol on power	935
Properties of benzol	935
Berliet Co.—Military authorities order Imbert gas producer on trucks	427
Birdsall, Edward—Views on engine wear & fuel	612
Blackburn, L. A.—Making maintenance effective	762
